MEMORANDUM FOR: Deputy Director for Support

SUBJECT : AEDONOR

REFERENCE : [REDACTED]

25X1A

1. This memorandum contains a recommendation submitted for your approval. This recommendation is contained in paragraph 2.

25X1A

2. Approval is requested under provision of the referenced section of [REDACTED] retroactive to 13 August 1965, for unusual expenditures in connection with the custodial aspects of the AEDONOR case. These unusual expenditures are for such items as cigarettes, tooth paste, toothbrushes, razors and razor blades, and occasionally the random purchase of other small personal items for use by the contract personnel on duty at the site. It is estimated that such expenditures will total approximately \$35.00 per month.

3. The necessity for this approval stems from the unusual nature of the AEDONOR case, plus the strict security requirements which preclude normal acquisition or accountability for these miscellaneous items.
